

Select Savings

As your pharmacy benefit manager, we're here to help you and your family get affordable access to specialty medicines.

Payer Matrix

Your benefit plan now includes Select Savings, offering services for members taking specialty medicines. These services may lower health care costs by finding alternative funding sources for select high-cost specialty drugs. We have contracted with a vendor partner that provides these services to help members connect to funding programs.

A few things you need to know

- Enrollment in the program may greatly reduce your out-of-pocket costs for specialty drugs. In some cases, you'll pay nothing at all.
- Select Savings guides you to enroll in programs that may help you pay for your specialty drugs.
- Costs paid by alternative funding sources won't count toward your deductible or out-of-pocket maximum amounts.¹

If you are prescribed a qualified specialty drug, you must engage with Payer Matrix before the pharmacy can fill your prescription

- A case coordinator will contact you.
- Your case coordinator will tell you what you need to know about the program and walk you through the enrollment process and requirements.
- They will also answer any questions you may have.

If you have any questions regarding this program, please contact Payer Matrix at 877.305.6202. Their team is available 9:00 a.m. – 8:30 p.m. ET.
